# Life Sciences

## About us

- Bird & Bird is widely recognised as the leading law firm in Europe for life sciences
- we are an international firm with offices across Europe and Asia
- we provide a full service offering the broadest range of corporate, commercial, IP and regulatory services to some of the most innovative companies in the life sciences sector all over the world
- we are leading the way in a range of innovative cutting-edge deals reflecting the dynamic nature of the sector
- we combine our legal skills, industry knowledge and scientific background to provide a multi-disciplinary approach which delivers more than core legal services
- we are experienced in acting for a range of clients from large multi-nationals to smaller domestic companies
- we have a long standing heritage and pedigree in IP – we understand the value of IP as a core asset of businesses operating in this sector

## Our approach

- **operate as one integrated international group** - we provide a consistent quality of service from each of our offices
- **focus** - we provide a single point of contact to cover all jurisdictions
- **efficiency** - we deliver on time and on budget no matter how complex the transaction
