

Video and Computer Games – *next level for a new area of law*

The gaming industry has developed into a significant area of growth. Video and computer games raise fascinating legal questions in particular in the fields of intellectual property law, media law, distribution law, unfair trade practice and data protection law. Given the dynamics and speed of innovation as well as user demands on video and computer games foremost in the online sector, numerous legal issues are yet to be resolved.

This first **Handbook dealing with video and computer games in the European market** brings together an international team of experts addressing a broad range of legal questions that are relevant to the business. The authors reflect on the current state of the legal debate and discuss pragmatic solutions for the German market (in German language). In addition, the editors and the team of international authors offer a widely spread overview on the legal situation in nine other European countries (in English language).

Recht der Computer- und Videospiele

The Law of Video and Computer Games

Editors: Alexander Duisberg and
Henriette Picot

The editors, **Alexander Duisberg** and **Henriette Picot**, as well as the team of authors formed around a core group of partners from Bird & Bird LLP and include renowned industry and justice representatives. Their knowledge of the gaming industry is based on long-standing, comprehensive experience in the area of intellectual property law, with a special focus on technology law, and in all related contract and distribution law as well as regulatory issues, as well as on the close links with the firm's media practice.

The handbook offers attorneys and decision-makers cutting-edge orientation regarding the relevant legal questions and possible solutions.

With contributions by Catrin Agerhäll, Daniele De Angelis, Stephan Appt, Benoit Van Asbroeck, Farid Bouguettaya, Vojtech Chloupek, Julien Debussche, Alexander Duisberg, Berend van der Eijk, Friedrich Emmerling, Achim Förster, José Ángel García-Zapata, Verena Grentzenberg, Thijs van den Heuvel, Florian Kolb, Markus Körner, Kari-Matti Lehti, Stéphane Leriche, Lorraine Maisnier-Boché, Paul McMahon, Teresa Mercadal, Claas Oehler, Henriette Picot, Fidel Porcuna, Tobias Reker, Anika von Ribbeck, Manon Rieger-Jansen, Gian Marco Rinaldi, Howard Rubin, Jim Runsten and Per Svantesson.
